## Brownie Money Manager Badge

## Directions to Parents:

Your daughter will be working on her Money Manager Badge.
Today we learned about needs and wants and practiced buying and paying with pretend money.
The some of this badge will be worked on at home.
You will need to do all three of these.
Please aim to do at least one of these each month for the next three months

## Directions for Girl Scouts:

With your parents shop for the items below either in a real store, on the computer, or using advertisement from the mail or newspapers.
Write down:

- what you bought
- how much it cost and
- add it up to get the total (adults can help with the addition)

## 1) Go pretend shopping for groceries

Make a list of 5 items that you would like to buy
Can you keep the cost under $\$ 20$ ?
